

# UNDERGROUND FUEL STORAGE TANKS PROJECT PROFILE

## Co-Op Gas & Oil Co. | Sheldon, IA

### Three Plasteel® Elutron® Fuel Storage Tanks Two 20,000 Gallon Fuel and One 7,000 Gallon DEF

#### TrueNorth Steel solution and products used in application:

TrueNorth Steel provided 2 - 20,000 gallon and 1 - 7,000 gallon DEF tanks using Plasteel Elutron's double walled steel / fiberglass jacketed fuel storage system.

Installation took place at the Co-Op Oil & Gas in Sheldon, IA. TrueNorth Steel provided time delivery by coordinating the crane schedule with the contractor.

#### Owner:

Westmor Industries LLC

#### Contractor:
