

County Bridge | McKenzie County, ND

24' X 80' Modular Steel Bridge

Owner

McKenzie County, North Dakota

Contractor

Swingin Construction
Grand Forks, North Dakota

Consulting Engineer

Broz Engineering
Bowman, North Dakota

Application

Detour Bridge – Pre-engineered Steel Modular Bridge

Why modular steel bridges from TrueNorth Steel?

- Simple bolt-together installation by county personnel

Project challenges

- Required capability for quick installation and removal
- Bridge must carry the heavy loads of oil field traffic
