

## Western Choice Bulk Plant | Killdeer, ND

### Six 41,000 Gallon Vertical Tanks with TrueContain™ Containment System

#### TrueNorth Steel solution and products used in application:

TrueNorth Steel provided 6 - 41,000 gallon single wall, vertical tanks measuring 14' in diameter and a 36' high shell for this customer.

Our patented TrueContain™ Containment System was also utilized for a completely boltless, faster setup, and customizable design for the site needs.
