

## **Minnkota Power TRF Interconnect Bridge Replacement** | Thief River Falls, MN

### **CSP with Corrugated Steel Headwalls**

#### **Owner**

Minnkota Power

#### **Contractor**

Davidson Construction

#### **Consulting Engineer**

Minnkota Power

#### **Application**

Replacement of an existing bridge

#### **Why corrugated steel pipe from TrueNorth Steel?**

Corrugated steel pipe and corrugated steel headwalls created a very cost effective, low installed cost alternative to a new conventional bridge.

#### **Project challenges**

System was installed in inclement weather conditions which created challenges to during placement and backfilling.

#### **Special/unique elements of the project**

Corrugated steel headwalls
