CAMPBELL COUNTY MEMORIAL HOSPITAL

LOCATION	SIZE	COMPLETION DATE	SCOPE
Gillette, WY	1,200 Tons	2009	Structural Steel Miscellaneous Steel Joist and Deck

The \$68 million, three-year-long, 170,000 SF expansion to Campbell County Memorial Hospital located in Gillette, Wyoming included a 3-story patient care tower addition, a 320-stall parking structure, building expansion, as well as a helipad and featured many state-of-the-art interior upgrades. The additional three stories feature larger operating suites, patient registration area, and space for a dining room expansion to support community growth.

In Partnership with Sampson Construction.
