SCL HEALTH WEST END MOB

LOCATION	SIZE	COMPLETION DATE	SCOPE
Billings, MT	252 Tons	Fall 2022	Structural Steel Miscellaneous Metals Joist and Deck Steel Erection

This 2-level facility is utilized as a medical clinic as well as physicians' offices for SCL Health Medical Group in Billings, MT. TrueNorth Steel was selected for this project based on our ability to help complete the design, assess for cost reduction opportunities, as well as source and schedule critical raw materials in a cost-effective manner which satisfied the aggressive project schedule.

In Partnership with Hardy Construction.
