

PEDESTRIAN BRIDGE

BRIDGEWAY STATION PEDESTRIAN BRIDGE

LOCATION	SIZE	COMPLETION DATE	SCOPE
Mauldin, SC	6.5' x 49'	2023	Steel Wooden Deck

Hughes Investments was looking to join two buildings together with a second-story walkway to allow their employees to travel safely between buildings without needing to cross the busy street below. From request to delivery, TrueNorth Steel worked closely with this customer to provide a solution that brought their vision to life.
